*Share's Annula Gala: Saturday, April 25 | 5 p.m. @ Hilton Hotel Vancouver*

Steve Horenstein, Founder of Horenstein Law Group, and Kara Fox-LaRose, President and General Manager of ilani, join Share's mission with a passion for their community. In both their professional and person lives, this dynamic duo dedicates their purpose towards advocacy and affecting sustainable change. With a goal to build continued momentum for Share's mission, Steve and Kara recognize that it takes a village to truly affect sustainable change.

Though this **Fair Lady** and *dapper professor* aren't professional dancers, they are inspired to perform for this important cause. *"We see this as a privilege and wish to extend the influence of our roles, in partnership with our community, and would appreciate your support in raising funds to help lead those who are vulnerable to a sustainable life."*—With gratitude, Steve and Kara
