Sherri McMillan & Carrie Cofer

Thank you to our Dynamic Duo Portrait Sponsor

Best Dressed Dynamic Duo Nominees!

Visit sharevancouver.org to 'vote' for Sherri & Carrie with a donation in their honor—and buy tickets (or a table!) to the hottest show in town!

Share's Annula Gala: Saturday, April 25 | 5 p.m. @ Hilton Hotel Vancouver

If you know us, it's not hard to imagine why we chose the unstoppable duo of **Velma Kelly and Roxie Hart**; two ambitious and determined ladies who grew up without means but had enough grit, determination and work ethic to believe that anything was possible and then make it happen! Roxie had it right when she sang: "You can like the life you're living, you can live the life you like." Which is why we're passionate about Share and helping achieve their Mission of Leading the hungry and homeless to self-sufficiency through the strength of our community! Like Chicago, we became friends when we realized how much we had in common. Unlike Chicago, you won't find us singing the **Cell Block Tango on Murderess Row**, although Sherri joked that there may have been a man or two that could have landed her there! Instead you will find us volunteering and supporting nonprofits in our community like Clark County Food Bank, Pink Lemonade Project, PAL and others. And working on our dance number! The hardest part for Sherri will be trading her athletic heels for **rouged knees and T straps!**

In addition to our volunteer work, Sherri has been inspiring the world to adopt a fitness lifestyle for over 30 years and just recently celebrated her 21st Anniversary as owner/founder of Northwest Personal Training & 6th Anniversary at WHY Racing Events and Carrie and her husband Andy have owned Cofer Excavation for over 20 years. Carrie is also the Vice President of Power Generation for Pacific Power Group, a Yaculta Company, where she is responsible for sales, operations, and service for onsite power generation equipment manufactured by MTU, a Rolls Royce Power Solution. When we're not busy with our day jobs and extra curriculars, we both enjoy an active lifestyle and spending time with our beautiful families. Oh, and did we mention, we both love to compete! So of course, we want to win this thing, which is why we hope you'll open your Hearts and then your wallets and your purses and give generously to Roxie and Velma, **and all that ... jazz!**
