

Share Outreach

Share Outreach serves more than 880 hard-to-reach and hard-to-serve homeless individuals each year. Many of our clients struggle in accessing services due to mobility, physical and mental health concerns, or difficulty in being around large groups of people. We have a client-centered approach, meaning we are open to assisting individuals in whatever goals they have for themselves. This means we can help in a variety of ways, including the services listed below:

- Benefits assistance
- Housing assistance, including completing housing assessments in the field for those who are unable to go to the Housing Solutions Center
- Providing basic needs/supplies
- Direct referrals for physical health, mental health, and substance abuse services
- Providing information on where to access services throughout Clark County
- Transportation assistance

You can help with donations of basic needs/supplies, such as:

- Soft, non-perishable foods: tuna packets | tuna salad & chicken salad snack kits
cheese and/or peanut butter crackers | chewy granola and/or snack bars
squeezable packets of apple sauce, smoothies, and yogurt
- Personal hygiene items – NEW & travel-sized: shampoo & conditioner | soap
toothbrush & toothpaste | razors | deodorant & personal wipes | socks
- Bottled water & protein shakes
