**Share's Annula Gala: Saturday, April 23 | 5 p.m. @ Hilton Hotel Vancouver**

If you know us, we are *"hopelessly devoted"* to Share and everything they do to provide meals, housing and hope to those in need. We've *"got chills, they're multiplying"* when we think about what we can all accomplish together. It's always been our belief that if we each give a little, it adds up to a lot!

We probably all can relate to Sandy who struggled with her identity and trying to fit in, but who had enough grit and determination to believe that anything was possible and then made it happen! Bottom line, *"you better shape up,"* because we want YOU at this event that will put the FUN into FUNdraising!

When not supporting Share, [Sherri McMillan](#) has been inspiring the world to adopt a fitness lifestyle for more than 32 years and just recently celebrated her 22nd anniversary as owner/founder of Northwest Personal Training and 5th anniversary at WHY Community. [Carrie Cofer](#) and husband Andy have owned Cofer Excavation for more than 20 years. She is also the vice president of Power Generation for Pacific Power Group, a Yaculta company, where she is responsible for sales, operations, and service for onsite power generation equipment manufactured by MTU, a Rolls-Royce power solution.

You will find us volunteering and supporting several nonprofits in our community like the Clark County Food Bank, Pink Lemonade Project, PAL and others. When we're not busy with our day jobs and extra curriculars, we both enjoy an active lifestyle and spending time with our beautiful families.

Although we're both a little bit competitive, *"it doesn't matter if you win or lose, it's what you do with your dancin' shoes"* AND whether we raise a lot of money for Share to help them achieve their mission to pursue a stronger community by building relationships, advocating for equitable access to housing and food stability while empowering every individual to grow and thrive, because they believe that every person counts! So of course we want to raise the highest donations, which is why we hope you'll open your hearts and then your wallets and your purses and give generously to support Share because you're the one that we want! *"Ooh, ooh, ooh, honey!"*
